

SAM'S NOTES

A Supplement to the Desert Airman

Friday, April 12, 2002

WELCOME

Welcome to the first edition of "SAM's Notes." You'll see "SAM's Notes" the second Friday of each month included as a supplement to the "Desert Airman". The 355th Services Squadron is responsible for putting together "SAM's Notes" with the purpose of letting our readers know what activities and programs are planned throughout the Services Squadron.

We thank you for taking the time to read "SAM's Notes". Along with this publication, you can look for a new news magazine that will begin publication in May, called "Services Activities Magazine." This news magazine replaces the "Services Round-Up" and will go into even more detail about activities we offer for active duty, dependents, and retirees at DMAFB. You'll be able to pick up a free copy at any of our Services facilities.

We always welcome any suggestions for either "SAM's Notes", or for any of our Services activities. Feel free to contact the Services Marketing office with suggestions or comments at 228-5950. We are always looking for your input to help improve existing programs and to develop new ones.

Laine Donnelly collects Eggs at the annual Easter Egg Hunt. This one and a half year old is enjoying her first Easter Egg Hunt. Laine joined several hundred of other kids looking for treats!

GET FIT AND WIN

Keep Fit! During May, fitness centers worldwide encourage Air Force personnel to make fitness a regular part of their daily lives. Known for years as May Fitness Month, the program has expanded this year. There will be more prizes, including an all inclusive trip for two to the Bahamas and Jamaica. May is a time to remind folks that it's important to make healthy lifestyle choices and hopefully the habits developed during this month will last a lifetime.

DM has plenty of activities planned throughout the month including two 5K runs, a weight lifting competition, youth sports events, golf challenges, and Outdoor Recreation sponsored hikes and day trips.

Individuals participating in the "Mission Fitness 2002" program, sponsored in part by Gatorade, LifeFitness, and Superclubs, will use stamp cards to accrue points. The more a person works out or participates in Mission Fitness activities, the greater their chances of winning, making Mission Fitness a true "Get Fit and Win" program.

For more information, contact the Fitness Center at 228-3714.

Youth Activities

The DM Youth Center offers programs and activities for children of all ages. One example was their recent Easter Egg Hunt where hundreds of kids searched for prizes. This annual event is just one of the hundreds of activities the Youth Center offers.

Some of their upcoming activities include a trip to the zoo on April 20th, a Nike Challenge Sports Night on April 23, and a Teen Lock-In on the 26th. The Lock-In is for kids 13-18 years old and it's a great time for participants as they stay up all night, play games, and visit with friends in a safe, structured environment. The hours for the Lock-In are from 8pm to 6am the following morning.

Also on the 20th, they will offer a Red Cross Baby-sitting course from 8:30am to 5:30 in the afternoon for kids 11-15 years old. This class teaches the basics of being a responsible baby-sitter.

The Youth Center also offers before and after school care for children attending school on base. They are currently accepting applicants for their summer camp program which runs through summer vacation.

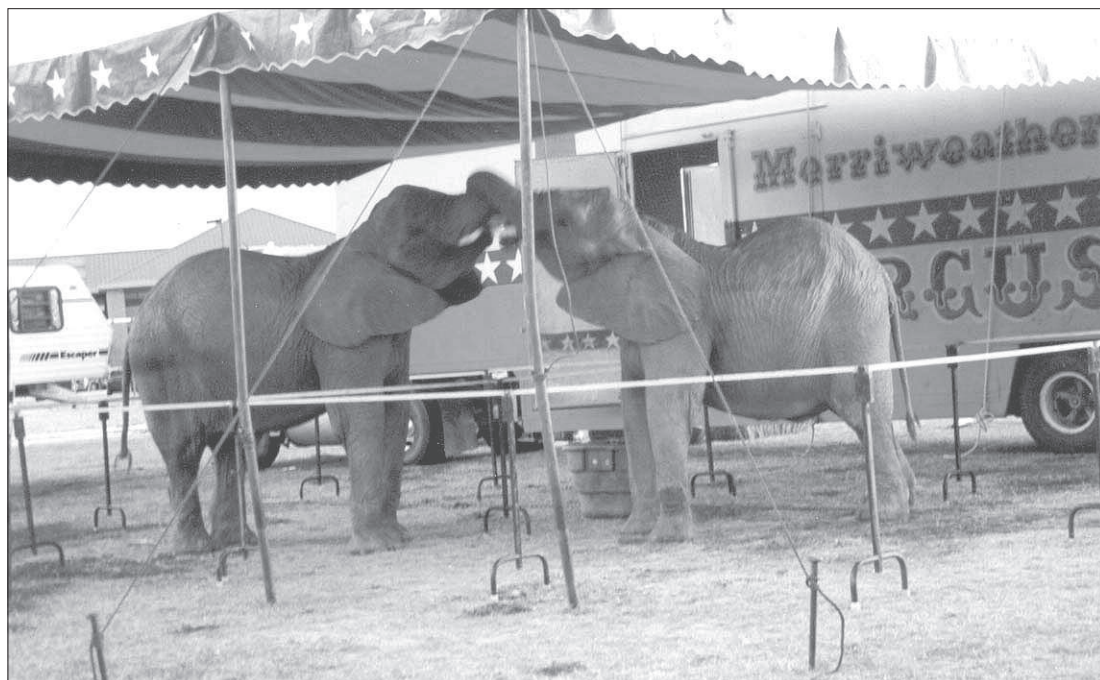

For information on any of the Youth Center's activities, call them at 228-8844 or stop by the center.

Earn Free Airline Tickets

Joining the club is a way to earn free airline miles. Club general manager Jim Campbell says when members sign up for a United States Air Force club membership credit card, card holders can earn points toward free round trip tickets on major airlines.

"Some of our members are aware of many of the benefits of joining the club, but don't know that the club membership card makes them eligible for free air travel," says Campbell.

In addition to free airline tickets, a system is in effect that makes it easier to transfer membership from one club to another after a PCS move. Club members can now keep their club membership card when transferring to a new base. In the past members were required to out process and surrender their card at the losing club.

"We are really trying to get the word out that joining the club is a painless process with lots of rewards," says Campbell. More information about the airline miles and other club promotions are available from Mr. Campbell at 748-0660.

Sunday Brunch

Don't miss the best brunch in town! Brunch at the DM Officers' Club is open to ALL club members and only costs \$11.95 for adults, \$3 for kids 6-10, and is free for kids 5 and younger. Brunch is served from 10am to 2pm every Sunday and includes a wide variety of breakfast and lunch dishes. Call the club at 228-3301 for information.

DAVIS-MONTHAN OFFICIAL BASE NEWSPAPER'S FREE AIRSHOW GUIDE

As a business owner, you can show your support for our military and also reach out to a very large captive audience by placing your ad in Davis-Monthan's Official Base Newspaper's FREE air show guide.

In addition to being available at the air show, Tucson residents will be able to obtain the air show guide several days prior to the two-day event! Plus, this special edition will also be inserted into the Desert Airman, official base newspaper for Davis-Monthan AFB.

"Service For Freedom"

D-M officials expect thousands of eyes to look to the Tucson skies April 27-28 for Aerospace & Arizona Days 2002.

The two-day air show will feature numerous military and civilian aerial demonstrations and one of the largest displays of static aircraft from across the United States. This year's feature demonstration will be a Combat Search and Rescue pickup accomplished by our very own A/OA-10 aircraft and the 305th Rescue Squadron rescue helicopters. Several demonstration aircraft from the Air Force, Navy, Army, and Marines are expected.
